*You may enjoy 23.6% when the fuel spend is billed to a Citibank Cash Back Card.

How the Discount Rate works

- You will enjoy minimally an upfront 17% off your fuel pump price when you sign up and use Abecha - ESSO Fleetcard/Speedpass.

During the fleetcard application process, you are required to indicate your preferred billing mode (i.e. Citibank CC, OCBC CC or Interbank Giro) for your fuel spend

- If you choose **Citibank Cash Back Card**, you may enjoy additional **8% cash rebates** giving you a maximum of **23.6% discount** off total pump price. (Please read Citibank Cash Back Card Terms and Conditions [here](#))

The additional discount (cash rebates) from the bank will be reflected in your Credit Card Statement.
